Catalysation of institutional transformations
of Higher Education Institutions through
the adoption of acceleration services

CATALISI PRESS RELEASE

CATALYSATION OF INSTITUTIONAL TRANSFORMATIONS OF HIGHER EDUCATION INSTITUTIONS THROUGH THE ADOPTION OF ACCELERATION SERVICES

CATALISI is an EU-funded project that started in January 2023. With the aim to help and support Higher Education Institutions to successfully implement a strategy and individual pathway for institutional transformation, CATALISI will introduce the adoption of acceleration services. The project will analyse how the governance of Higher Education Institutions can be changed, considering the governance as a way in which societal and state actors intentionally interact in order to transform Science Technology and Innovation systems, by regulating issues of societal concern.

In the **36 months** of the project, **11 partners from 8 EU Member States** will implement the project dividing its efforts between implementors and facilitators. CATALISI will offer **7 acceleration services** and tackle **3 domains**:

- o Research careers and talent support
- o Open science and public engagement
