DARIO PELLIZZON

Dario Pellizon is the Head of Research and Libraries at Ca' Foscari University of Venice, focusing on innovation and developing international partnerships. With over 20 years of experience in Italian universities, he is also a career development coach and EU project management trainer. Pellizon has evaluated Horizon 2020 and Horizon Europe research proposals and is a lead assessor for the Human Resources Strategy for Research (HRS4R). He has received recognition for his contributions to the Marie Curie Alumni Association and is a member of the Marie S. Curie Actions Italian Stakeholders Group.

DR. IGNASI SALVADO-ESTIVILL

Ignasi Salvado Estivill is the Director of OPERA at Alianza 4 Universidades, supporting researchers in enhancing competitiveness and identifying funding opportunities in Brussels. He holds a PhD in Chemical Engineering and has extensive experience in Research and Innovation Management, including policy execution and project management. His leadership and expertise in EU research frameworks play a crucial role in advancing international research collaboration.

FRANCISCO JAVIER RUBIO POMAR

Francisco Javier Rubio Pomar, born in 1974 in Zaragoza, is the Director of ARAID and a Doctor of Veterinary Medicine with expertise in research and project management. He holds a Ph.D. in Biotechnology from Utrecht University and postgraduate degrees in ICT management and Cybersecurity. Previously, he was a Senior Project Manager at GSK's Tres Cantos Medicine Development Center, focusing on global health and antimicrobial resistance. He has secured research funding through EU grants and developed HR strategies that earned the EU's HR Excellence in Research recognition. Since 2022, he has overseen ARAID's programs and international recruitment efforts for researchers in Aragón.

MODERATOR

SUHIDA DERMANI

Suhida Dermanti is a Senior Consultant at EY with an academic and professional background as a Career Development Psychologist, specializing in skills development, future skills forecasting, and capacity building. In her role as a consultant, she collaborates with universities, public institutions, and international organizations to enhance institutional transformation, career pathways and workforce development.
