DR. ELENA GIGLIA

Dr. Elena Giglia has long been involved in the European Open Science network, participating in conferences and contributing to discussions on Open Science. An expert in several EU workshops, she serves on scientific committees and advisory boards while continually pursuing education through training courses. In 2020, she helped draft the National Plan for Open Science at the Ministry for University and Research. She collaborates with ICDI on Open Science and organizes the Open Science café. Additionally, she represents OPERAS, the Research Infrastructure for Open Science in Social Sciences and Humanities, within the EOSC Association.

MODERATOR

SUHIDA DERMANI

Suhida Dermani is a Senior Consultant at EY with an academic and professional background as a Career Development Psychologist, specializing in skills development, future skills forecasting, and capacity building. In her role as a consultant, she collaborates with universities, public institutions, and international organizations to enhance institutional transformation, career pathways and workforce development.
