29TH MAY 2025
10:00-12:00

CIARA O'HALLORAN

Ciara is a co-creation specialist and certified project manager with over 20 years of experience. She promotes participatory and design-led approaches for societal impact at various levels and supports capacity building through CityLabs. Ciara leads the NPA Hybes project and participates in the EU Horizon Europe CATALISI initiative, focusing on transforming Higher Education Institutions. Her background includes working on community, public sector, and European projects to tackle complex challenges through co-creation.

MARIEM CHAKROUN

Mariem Chakroun is an International Project Manager at the European Network of Living Labs (ENoLL) with an Advanced Master's in European Business and Economic Policy from UC Louvain. Her passion for social aspects of the economy and international development drives her career. She has experience in public health, education, arts, culture, and trade facilitation. Her engineering background and commitment to international cooperation have contributed to her success in project management.

LEIDY VANESSA ENRIQUEZ FLOREZ

Leidy Vanessa Enriquez Florez is an International Project Manager and Senior Event Manager at ENoLL, with a Master's degree in Communications, New Media, and Society from Vrije Universiteit Brussels. She has a diverse background in Communications, Business Management, and ICT for innovation, and her education spans four continents. Leidy has over 8 years of experience working with Living Labs, supporting user-driven innovation across Europe and beyond. Her professional experience also includes aiding non-profits with communications and developing educational materials.
